中秋  
守月  
的童话世界

## A Moonlit Fairy Tale

这一年，我们以“童话山海，盛放花树”为灵感，以立体风设计铁盒，从海浪山丘到桃花圆月，层层叠景，构筑梦境画卷。每一层，皆是思念的延伸，也是回家的旅程。

象征大同四十一年来，从传统走向现代，从本土走向世界，每一步，皆是记忆、传承与温度。

Inspired by "Mythical Mountains and Blossoming Trees," this year's tin box features layered art. From waves and hills to blossoms and a full moon — each layer echoing longing and the journey home.

# 月亮愿意留一角

## 只为留给你最温暖的光

The moon gives up a piece of its glow,  
just to wrap you in its softest light.

今年，是大同月饼的第四十一个中秋。

想告诉你：“每一口你吃下的大同月饼，都是我们帮你保管的愿望。”

为感谢每一个曾经许愿的人，大同月饼把月亮藏进盒盖，把春天的花瓣、秋日的山水、温柔的风，  
连同最真挚的祝福，一起包进这温暖的盒子里。

当你打开它，不只是看到一轮月、一只兔，你看到的，是大同月饼四十年来守护每一道藏在心底的思念与祝福。

"Every bite of Tai Thong's mooncake carries a wish we've kept safe for you."  
For those who has made a wish, Tai Thong Mooncake has hidden moon inside the box lid —  
along with spring's petals, autumn's landscapes,  
gentle breezes, and our most heartfelt blessings, all wrapped in this warm little box.

凝聚中秋团圆心意，融合柔和紫色与木纹质感，展现传统与现代美学。梅花与鸟儿意境清雅，寓意守候与思念，传递亲情祝福。愿你安好，月圆人圆。

Capturing the spirit of Mid-Autumn reunion, this design blends soft purple hues with woodgrain texture, showcasing a harmony of traditional and modern aesthetics. The elegant imagery of plum blossoms and a bird symbolizes longing and devotion, conveying heartfelt wishes for loved ones. May you be well, and may the moon bring us together.

## 月之 *Gun* Selection 精选

在马来西亚老街的记忆中，砖墙、门框与斑驳阳光图案承载着团圆的温度。橙色象征温暖与亲情，深蓝代表宁静守护，拼贴图案寓意多元团聚。四颗月饼与两盒茗茶，承载中秋心意，唤起共鸣回忆。

In the memories of Malaysia's old streets, patterned brick walls, door frames, and dappled sunlight hold the warmth of reunion. Orange symbolizes affection and warmth, while deep blue represents calm and protection. The collage-style design reflects unity in diversity. With four mooncakes and two boxes of tea, it carries heartfelt Mid-Autumn wishes and stirs nostalgic memories.

# 八韵の月

## AURORA

八韵之味，八色之月，八方之情。

这一刻，让八种“韵”在舌尖轻轻流转，圆满这一季最温柔的中秋。

Eight colours. Eight flavours. One moon of harmony.

Let eight delicate flavours swirl on your tongue — completing this gentle Mid-Autumn.

**MOST FLAVOURED  
SINGLE MOONCAKE**

【八韵の月】是对中秋团圆精神的现代诠释——8种色彩交织成一颗月饼，象征8种和谐的味道与心意。

它们象征着幸福、健康、希望、喜悦、感恩、思念、平安与爱——8种在团圆时刻最想传递的情感。中央金黄咸蛋黄如明月中的心愿；米白桃山皮则温柔包裹，如月光抚夜。

“8”不仅是数字，更是圆满的节奏，象征人们在月圆夜里围坐共享的温情时光。

“Aurora” is a modern take on Mid-Autumn reunion — a mooncake of 8 colours, symbolizing 8 heartfelt emotions: happiness, health, hope, joy, gratitude, longing, peace, and love.

A golden salted egg yolk glows at the center like a wish in the moon, gently wrapped in soft white peach skin, as tender as moonlight.

More than a number, “8” reflects wholeness — like families gathered in a circle under the full moon.
